RIGHTS TO INFORMATION CELL

Right to Information Cell (RTI) act, 2005 is an act passed by the Indian Parliament which gives people the access to Information available and to be disseminated to bring transparency in governance. RTI cell works with the objectives to bring transparency in all section of the collage.

The RTI cell receives application under the act and as per the information sought by the applicants. The cell collects the information from related section as per rules. The cell also takes care of the time frame to provide information within 1 month or as soon as possible.

RTI cell of KankeshwariDevi Institute of Technology has observed that students believe that their marks can change if they file RTI.

The following members are selected for the RTI.
